

How to Write Your Ministry Reflection

Due: Sunday, March 2

*This page should be used as a guide for writing your ministry reflection. **Your Ministry Reflection that you turn in needs to be at least one-page typed.** It should be well thought out and include, but not be limited to, what is given below. **Please have your sponsor or parent sign your reflection.** Any questions please contact the Confirmation Coordinator, Jessica Heinen at 768-3016.*

The purpose of this reflection is for you to reflect on the service that you have done during the process of preparation for Confirmation. Here are some questions that you will want to answer in your reflection paper. Please remember **to describe, be specific, and expand** your answers to the questions; however, do not feel as if you are limited to simply answering these questions.

- ✦ What did you do? (Describe the service you participated in)
- ✦ What did you discover about yourself through your experiences?
- ✦ What did you discover about those whom you served through your experiences?
- ✦ What did you learn about the message of Jesus through your experiences.
- ✦ What can you or will you do in the future because of what you have learned? Are there changes you must make in the way you live now if you are going to be able to act that way in the future?
- ✦ As a result of these experiences would you like to continue with this service/ministry? Why or why not?

Please make sure that you include the following:

- Name
- Projects
- Where
- When
- Signature from your sponsor or parent

You may use the following “Ministry Log” page as a helpful tool throughout the year to keep track of the service that you have completed.

Please turn your completed letter in to:
